

CENTRAL INTELLIGENCE AGENCY  
WASHINGTON, D. C. 20505

20 February 1976

Mr. Robert E. Sears  
Manager Defense Systems Division  
Hughes Aircraft Corporation

Dear Mr. Sears:

I wish to thank you for the efforts which you and your personnel put forth to make my visit to Hughes both very instructive and pleasurable. It is of great value to me to be able to treat firsthand with the builders of the very complex systems in which we have an interest.

Very truly yours, STATINTL

  
George Bush
